**PROJECT DESCRIPTION: PROJECT OBJECTIVE:**

The objective of this project (Healing Hearts Ministries) is to offer an opportunity for the homeless in the community around the La Sierra Spanish S.D.A. Church (LSSC) to receive physical, emotional and spiritual restoration through a sustainable community outreach program of direct engagement. \_\_\_\_\_

**TARGET GROUP:**

The homeless of the Riverside City District - Ward 7, Riverside, CA: The prescribed area is the area within the perimeter of Arlington Avenue to Tyler Avenue; Tyler Avenue to Magnolia Avenue; Magnolia Avenue to Riverwalk Parkway; Riverwalk Parkway to Arlington Avenue. \_\_\_\_\_

**HOW WILL THE PLAN BE ORGANIZED AND IMPLEMENTED:**

**PHASE I: "Organizational Meeting"** – This phase of the project focuses on the organization of a group of interested church members and skilled volunteers into project subcommittees (i.e. Public Relations, Medical, Logistics, Resources, Culinary Services, Counseling, Finance, Personal Hygiene and Clothing Distribution).

**PHASE II: "Official Contact With the City of Riverside, CA "** - This phase charges the Public Relations subcommittee with the scheduling of an official meeting with the Coordinator of Homeless Solutions of the City of Riverside. The purpose of the meeting will be to inform the City of Riverside of the intent of Healing Hearts Ministries to offer specific humanitarian services to the homeless population of Ward 7 of the Riverside City District. Moreover, guidance and direction regarding city regulations and policies, referent to assisting the homeless population, will be sought. Special permits will also be procured where necessary.

**PHASE III: "Ministry of Presence and Initial Outreach"** – In an attempt to get acquainted with the target population and assess its needs, seven organized groups of 4-6 church members will go out into the designated areas to meet and greet the homeless, providing them with a Ziploc bag containing fruits, granola bars, a bottle of water, and a pair of socks. The groups will assess the most urgent needs of the homeless they encounter. The groups will pray with those homeless who accept the offer for prayer. This activity will go on for about 6-7 weeks as the groups get to know the homeless and gain their trust.

**PHASE IV: "Launch of Humanitarian Services"** – The following humanitarian services will be offered at the church location two times each month: a hot meal, a haircut, basic medical consultation/attention, a change of clothing, use of the showers at the church's facility, a special "Worship of Spiritual Rest and Hope" geared toward the attendees served. Healing Hearts Ministries of LSSC, with the approval of the City of Riverside, will work to supply the needs of the prescribed homeless population that will be served. Moreover, referrals will be made to appropriate agencies that are equipped to give assistance beyond the scope of what Healing Hearts Ministries can adequately provide. \_\_\_\_\_
