PROJECT DESCRIPTION: PROJECT OBJECTIVE: To fulfill the great commission of Jesus Christ by baptizing & teaching using Bible study student and teacher guides in English.

TARGET GROUP: The five regions of the Southern California Conference, as well as the schools in the Pacific Union territory

HOW WILL THE PLAN BE ORGANIZED AND IMPLEMENTED: By producing in English what the Spanish world has already done. The Spanish world has a standard baptismal Bible study guide for \$.95/each available in South America and in the United States as well. The Spanish study guides are called LA FE DE JESUS. We need the English speaking side to also have a universal and standardized set of Bible Studies. La Fe de Jesus has already been translated and formatted into the English version. We just need them produced & printed. The younger generation even in our Spanish conferences prefer to have the Bible studies in English, as it is easier for them to understand. Therefore, The Faith of Jesus Bible studies will also benefit the youth of the Spanish churches, and not just the English congregations.

EXPECTED RESULTS: To double the number of baptisms in the Southern California Conference in the first year of publication.
