PROJECT DESCRIPTION: PROJECT OBJECTIVE: A multifaceted health initiative that consists of a variety of health clinics serve as an entering wedge ministry (the Gospel of Christ with feet on it) to serve the population of Santa Cruz and Soquel communities. The objective is to serve the felt needs of the community that will attract a minimum of 2000 people and also involve community agencies thereby building relationship opportunities with both the community and it's leaders.

TARGET GROUP: The uninsured and the underinsured non-Christian and non-Seventh-day Adventist population of Santa Cruz and Soquel.

HOW WILL THE PLAN BE ORGANIZED AND IMPLEMENTED: We will be providing a 10 chair Dental clinic, four lane Vision clinic, Medical screening clinic, Physical therapy clinic, Nutrition clinic, Foot Care Clinic, hair cutting, and therapeutic massage. The dental clinic will be providing restorative dentistry (fillings), palliative dentistry (removing teeth and periodontal care (cleaning teeth). The vision clinic will be providing refractive eye exams and where indicated issuing prescriptions glasses and frames. The prescription glasses will be distributed from the local churches as a means to re-connect with the patients and introduce other programs that they are providing in the upcoming weeks and months. The medical screening clinic will provide an analysis of glucose, cholesterol, muscle mass and fat distribution, followed by lifestyle coaching where patients will be directed to local S.D.A. churches for further seminar classes and coaching. Nutrition classes and food demonstrations will be presented with additional classes offered at the local churches. Foot care will be provided addressing the needs particularly of the diabetic and geriatric population, trimming nails and treating foot fungus conditions. Physical therapy will be presenting a back pain clinic and giving instruction on ergonomics and proper body mechanics, how to avoid injuries both at home and at work. Hair cutting will be provided and therapeutic massage will also be provided. In addition we intend involve the local community agencies to partner with us to provide additional services, local ambulance service that will provide instruction in basic first aid and CPR, public health department that will provide vaccinations where appropriate, hospice care orientation, fire department and food bank. Counselors and pastors will be circulating throughout the clinic areas strategically and intentionally to mingle with our guests.
